Autumn Term 2024

Flourish at Hatfeild

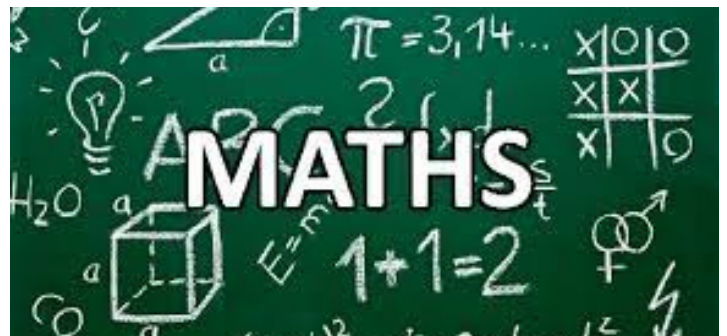

English

This half term we are using the story Claude in the City to support us with our London topic. We will also be using a range of non-fiction texts to support our learning. We will be working on using expanded noun phrases, conjunctions and punctuation in our writing.

Maths

In Maths we are working on place value in numbers up to 100. We are looking at the value and digits in 2 digit numbers. In addition we will use a range of practical equipment and representations to support our learning. The children will learn to partition and add 2 digit numbers and use appropriate vocabulary. Eg: tens, ones, place value column, dienes.

Topic

We are so excited to learn about London and what it was like to live there in the past. We are currently planning our school trip for the Autumn term, more information coming soon.
