Castles and Dragons

Year One Knowledge

Castles are a type of home that were built to protect the people inside.

Many castles have defenses like battlements, arrow slits, drawbridges, tall towers, moats and a portcullis.

A knight is somebody who has trained to fight as a soldier in battles.

Knights and castles have existed for hundreds of years in Britain.

St George is the patron saint of England and his legend is that he slayed a dragon. St George's Day is celebrated on 23rd April.

Motte-and-bailey castles had a mound with the keep on top.

The first castles were made of wood but they didn't last and were easy to attack. They were then built from stone.

Many stone castles still stand today like Windsor Castle, Dover Castle, Hever Castle and Leeds Castle.

Year One

Skills

A Place to Grow

I can describe some features, events, people and themes from the past.

I can sequence a few events, objects or pieces of information on a timeline.

I can use a wider range of “time” terms including: recently, before, after, now, later.

I can use past and present when describing events.

I can point out some similarities and differences between aspects of my life and the life of people in the period I am learning about.

I can point out some similarities and some differences between the ways of life of different people living at the time I am learning about.

I can make some comments about why people did things, why events happened and what happened as a result of these.

I can use information from more than one source in and for my answers.

I can talk about some of the different ways that the past is recorded or represented.

I can name some which tell us about the past.

I can make labelled drawings, tables, write sentences, speak, use drama and use ICT to show my ideas.
