They were confident singers who knew the actions to their songs. Reception Nativities always warm the heart with their special outfits and beautiful voices. Well done Reception.

>>> KS1

Year 1 and 2 wowed us all with their fantastic performance of The Christmas Recipe! The children brought the magic of Christmas to life, thinking of everything needed to create that warm and cosy Christmassy feeling. From marching presents to falling snowflakes, every moment was filled with festive charm. And of course, no Christmas celebration would be complete without a special touch of Santa! Their enthusiasm, teamwork, and creativity shone brightly, leaving everyone in the audience thoroughly impressed.

>>> KS2

Year 3 started our Christmas celebrations in the most heartwarming way, with a beautiful Christingle service held in the church. The children showcased their learning about the significance of Christingles for Christians, explaining the symbolism of each part with confidence and enthusiasm. They reminded us all of the importance of hope, love, and light during the festive season. The service was made even more special with their wonderful renditions of festive songs, filling the church with joyful voices and Christmas spirit. Year 4 shared their learning and creativity in a special Advent service. The children proudly showcased the beautiful Advent Wreaths they had made in class, explaining the symbolism behind each candle and the significance of the wreath in the lead-up to Christmas. Years 5 and 6 kicked off the festive season with a spectacular celebration of Christmas cheer! The children treated us to a delightful showcase of poems, skits, jokes, and even a touch of pantomime magic that had the audience smiling from ear to ear. A standout moment of the performance was their joyful rendition of Bing Crosby's Mele Kalikimaka, which brought a touch of Hawaiian sunshine to our wintry festivities. Their energy, enthusiasm, and creativity truly embodied the spirit of the season, and it was wonderful to see the children sharing their talents with such confidence and joy.
