Visits

School Visits

School visits are fantastic learning opportunity for children to learn beyond the classroom. Each school visit we plan is linked to current learning and planned to enrich classroom practice.

However, in order to run, school visits need to be fully funded with enough adult volunteers to ensure that children are kept safe. If you would like a Volunteer DBS to help with school visits these cost around £20. Please email the school office.

Should we not receive enough payments to cover the cost of a school visit, or have enough volunteer support, we may need to cancel the visit at short notice.

To support with all future school visits and ensure we receive enough funding, on ParentPay there will now be a 'School Trip Fund' account set up. Here you can donate any amount you wish, added to your order to help a family that may not be able to pay.

Homework

Homework

Every Friday your child's homework will be uploaded onto [Google Classroom](#).

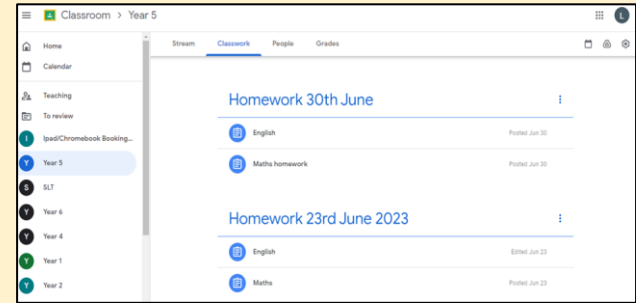

We will aim to go through it with our class **on Friday afternoons and will be due in on the following Wednesday.**

If there are any problems or questions, please speak to your child/ children's class teacher.

Please remember homework should be a positive experience!

Home reading - Your child should be reading everyday. I know everyone has busy schedules, but ten or so minutes of reading before bed or in the morning is fine. Your child can record this in their Homework Diary if they read independently, but please sign to show you have also read with them or heard them read.

Library - We aim to visit the library every week. Please ensure your child remembers to bring it in. If they have not finished reading the book, they may keep it until next time.

Date, book and page number	Comments Give a score out of 10 to show how much you enjoyed your reading.
Investigators - Off the Hook. Page 1-10	Mango and Brash try out a training exercise. Brash is worried that Crackerdile will come back.
