Visits

School Visits

School visits are fantastic learning opportunity for children to learn beyond the classroom. Each school visit we plan is linked to current learning and planned to enrich classroom practice.

However, in order to run, school visits need to be fully funded with enough adult volunteers to ensure that children are kept safe. If you would like a Volunteer DBS to help with school visits these cost around £20. Please email the school office.

Should we not receive enough payments to cover the cost of a school visit, or have enough volunteer support, we may need to cancel the visit at short notice.

To support with all future school visits and ensure we receive enough funding, on ParentPay there will now be a 'School Trip Fund' account set up. Here you can donate any amount you wish, added to your order to help a family that may not be able to pay.

Homework

Homework

Every Friday homework will be given to your child and will be due in on the following Wednesday. (Each week will alternate between Maths and English)

If there are any problems or questions, please speak to your child's class teacher.

Please remember homework should be a positive experience!

Home reading - Your child should be reading everyday. I know everyone has busy schedules, but ten or so minutes of reading before bed or in the morning is fine, please sign your child's diary to show you have read with them or heard them read.

Library - We aim to visit the library every week. Please ensure your child remembers to bring in their book. If they have not finished reading the book, they may keep it until next time.

Anything Else

Anything Else...

Just a reminder about snacks, please make sure your child/children have snack provided each day - we recommend a healthy snack such a fruit however we do understand for some of our children this may not be the most appropriate option, if this is the case please provide your child with an appropriate snack they wish to eat. (rice cakes, breadsticks etc)

Remember we are an allergen aware school and do not allow any products containing nuts in school. This includes nutella/pesto.

This year we are planning for more more exciting learning opportunities outside of the classroom, but more information is to follow.

Please note that our doors are always open, if you have any concerns or want to talk about anything please don't hesitate to send Mrs P an e-mail or ask us to give you a call.

It is very important to us that your children are happy at school and we are always available to support this.
